## OUR BAND

The Lancaster Central Marching and Concert Band (Senior Band) is presently made up of musicians from the 7th grade through 12th grade. The administrative end of the Band is run by three band officers, the Drum Majorette, and six section leaders. There is an award system in Band which provides for the earning of points. At the end of a school year all members who have earned 700 points during that year receive a certificate of merit. By the time a band member is a Senior, has accumulated a total of at least 3000, and has been a member of Senior Band his Sophomore, Junior, and Senior years, he will receive a letter sweater. Pins are also given to two outstanding graduating seniors in Band.

This year the Band officers wrote and published a Band Handbook. There are five baton twirlers and a Drum Majorette, all six known as the Lancaster Central Marching Majorettes. Also, this year they have introduced, and incorporated into the Band as a second rank of girls behind the Marching Majorettes, five Flag twirlers.

Last summer the Band participated in the Marching Band Contest at the Delaware County Fair in Muncie, Indiana, and also marched at Indianapolis at the Indiana State Fair. About the time school started, the Marching Band performed all three nights of the Bluffton Street Fair.

During the school year the Band plays at all the home basketball games. This year the Band marched at four home games, the Marching Majorettes at two games, the Flag twirlers at one, and the Junior twirlers at one. In February thirty-four students went to the district music contest, and four to the state contest. In March they performed at the dedication of our new school building. In April they participated in the County Music Festival and late in the spring gave a joint concert with the High School Chorus.

President . . . . .	Ronnie Stern
Vice President . . . . .	Allen Kruetzman
Secretary and Treasurer . . . . .	Arlene Frauhiger

The Student Council at Lancaster Central is playing a more important part in the school each year. This year the student council consisted of 17 members representing various classes or organizations in the school.

The student council gives students an opportunity to participate in school government.

One of the most important activity that the student council engaged in this year was the making of a handbook. The handbook provides vital information about the policies of the school, and it helps each student understand what is expected from him.

**Reddy Salutes You Seniors**  
**... and adds a thought or two!**

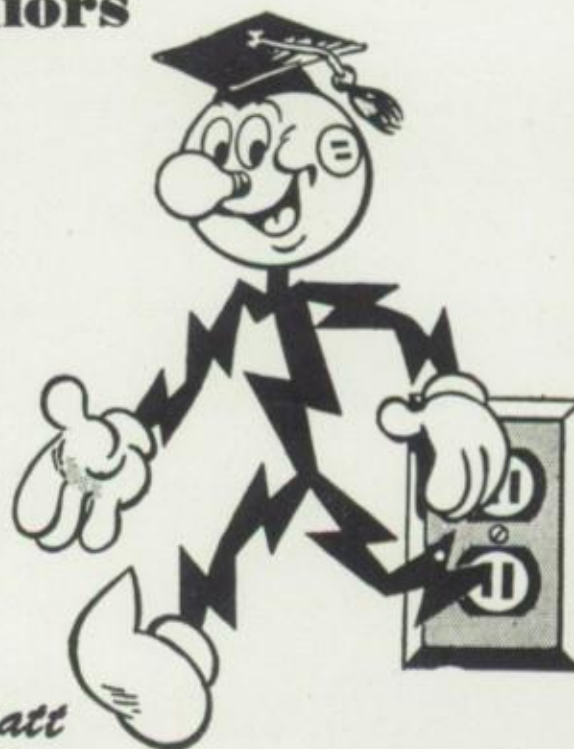

"Congratulations, you graduates. You're moving up in the world. So, good luck in whatever's ahead.

"But say, before you leave, let's think a bit about the past few years. How about those favorite classes, friends and all the fun? Hasn't it been great!

"And you know what? It could only happen here. Yes, free, fine education is part of the good ole U.S.A.

"Don't forget it when you've become a solid citizen with a family and all. 'Cause you'll need to remember ... to beat the guys who'll want a change.

"Democracy's best of all!"
